

Prometric Testing Centers – Illinois
(January 2008)

These are the Prometric Testing Centers in Illinois that offer the CPA examination. This list has been provided by Prometric. The Illinois Board of Examiners relies on Prometric to keep us informed of any test center changes and will post them as soon as we are notified.

The Prometric web page is www.prometric.com. The list is subject to change and the Illinois Board of Examiners does not control space availability or facility locale. Capacity varies at each site, with the Chicago site having the most seats divided into five labs.

You cannot schedule the CPA exam by calling the center directly, but must use their web site or the national calling center (800-580-9648) 8:00 a.m. – 8:00 p.m. Eastern Time.
